

Supplementary Figure S3 | Kidney\_Cortex TWAS proxy and candidate evidence

Proxy annotation and reporting categories only; not papilla-specific regulation or causal tiers

S3A TWAS model-quality and MAGMA-overlap audit

Supplementary TWAS proxy-quality audit

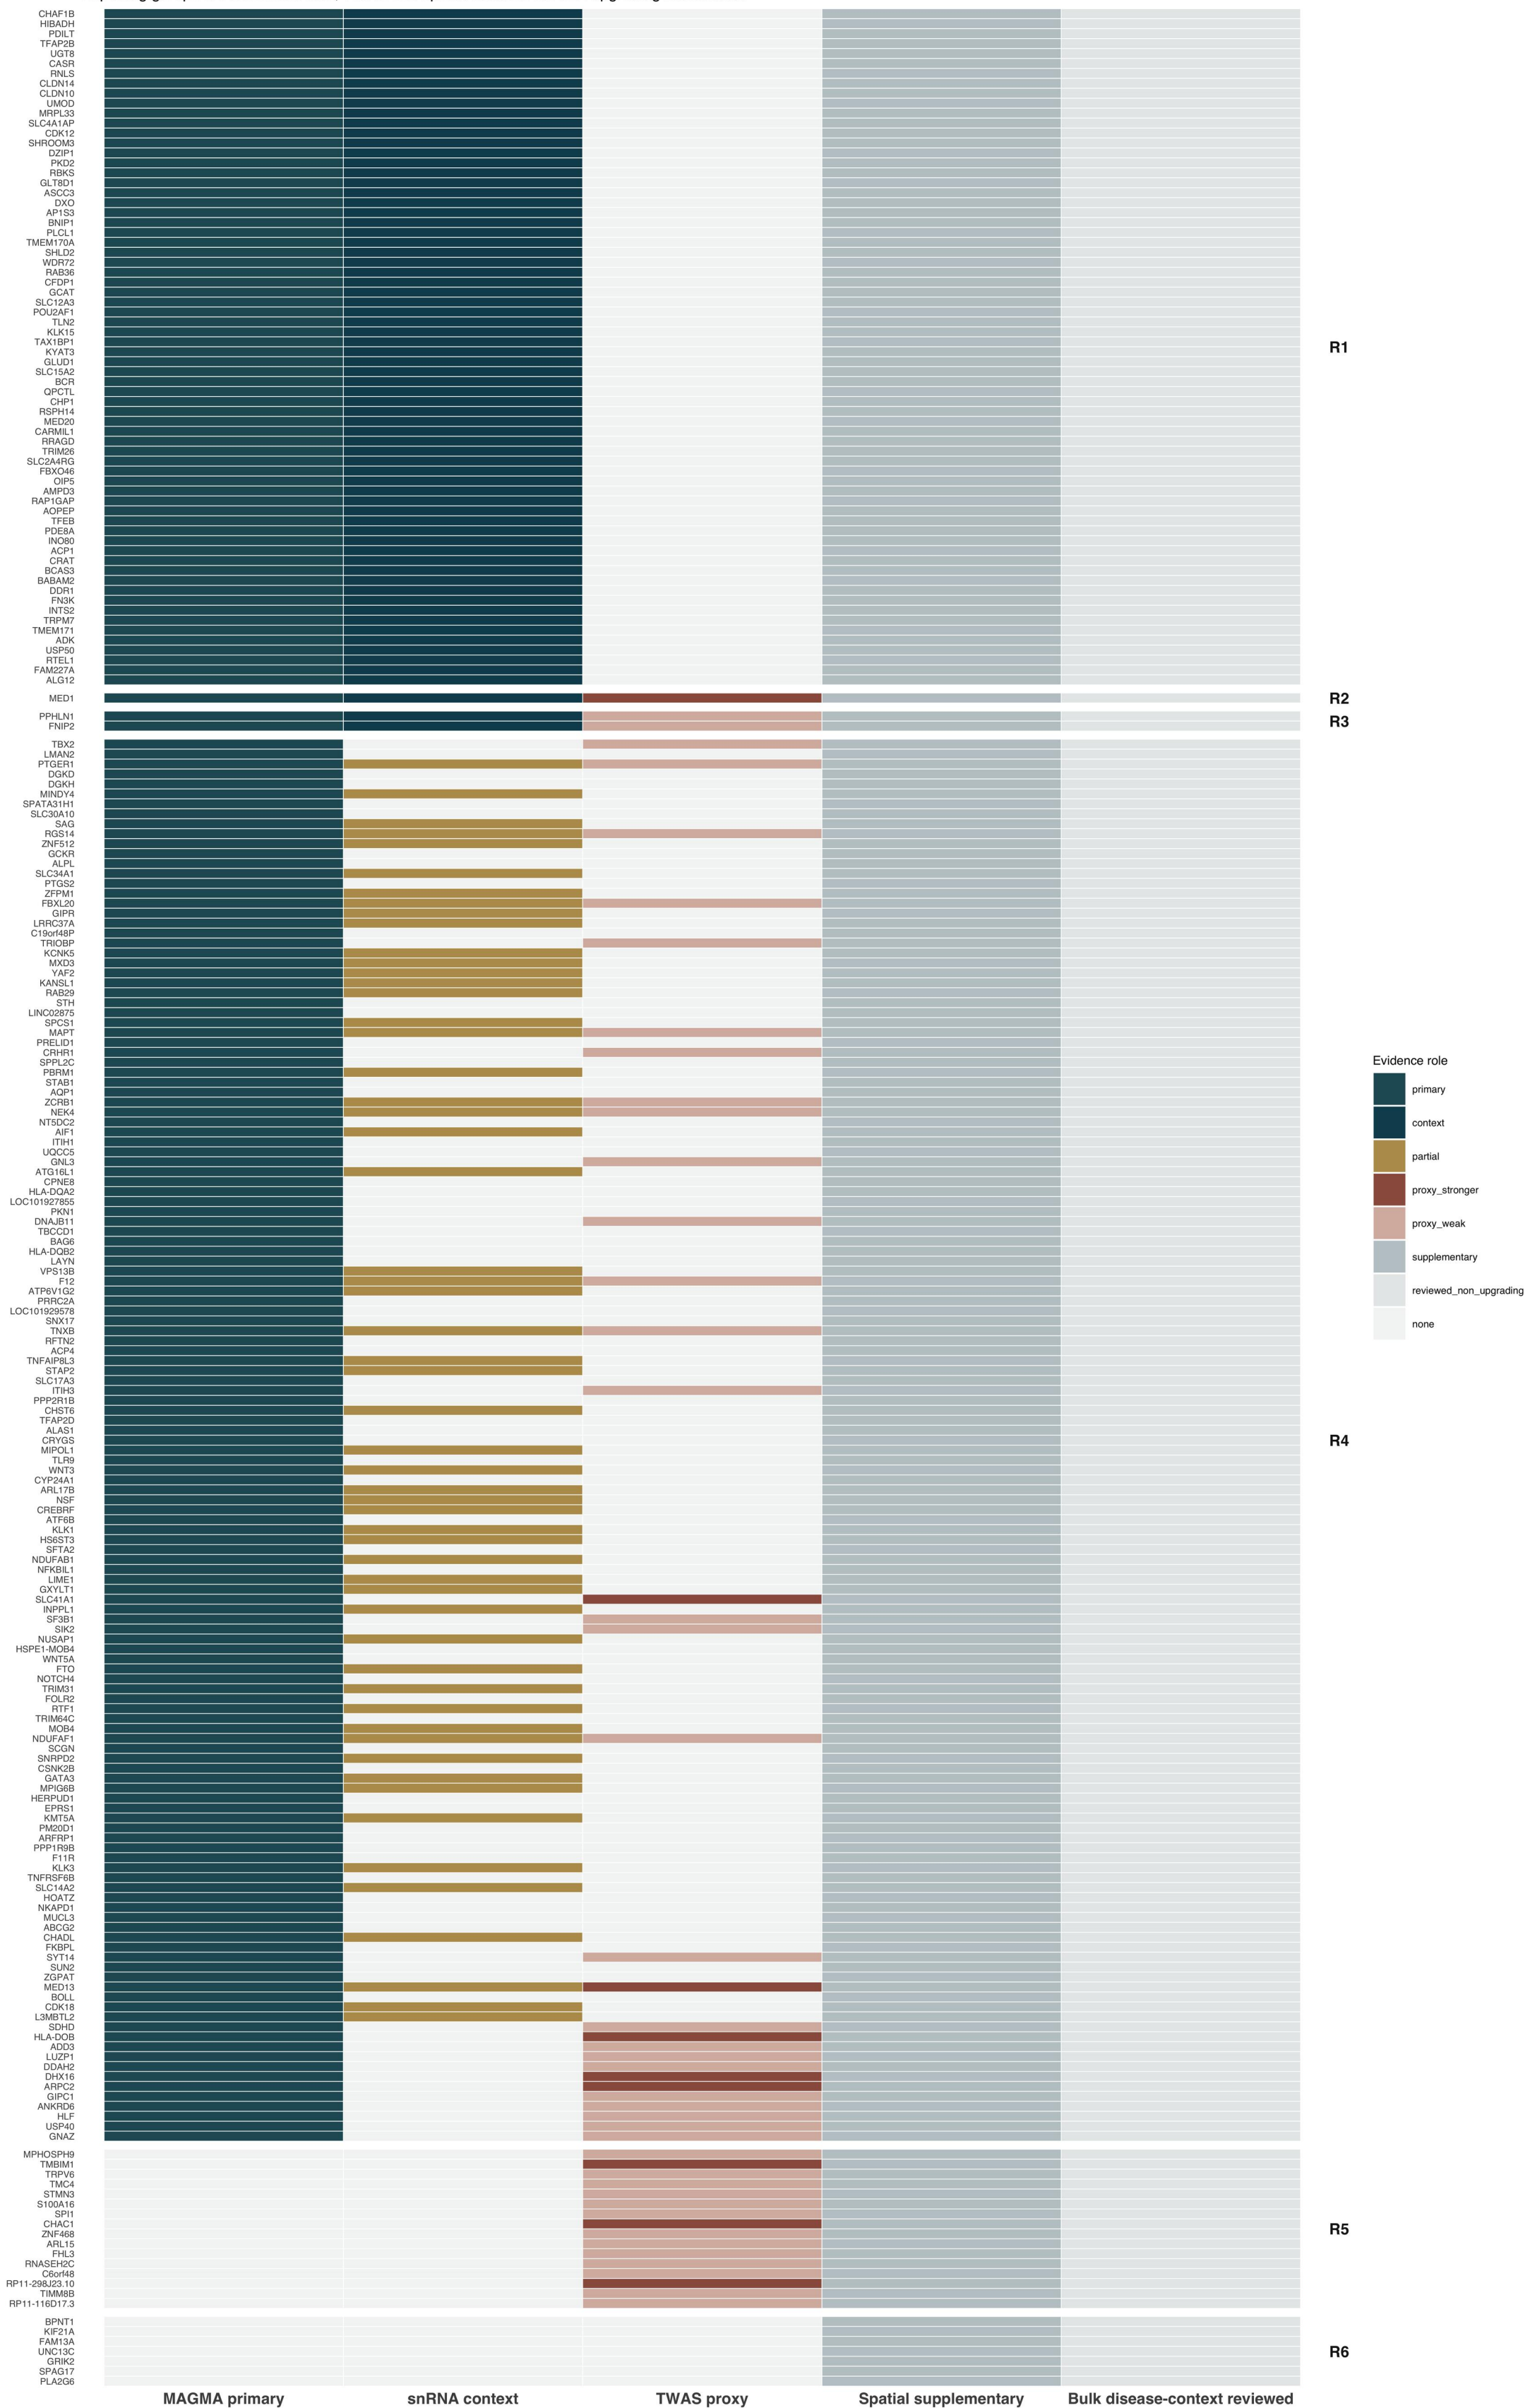

Kidney\_Cortex proxy annotation only; not papilla-specific regulation; not causal evidence

S3B Full 235-gene candidate reporting matrix

Supplementary full candidate evidence matrix

Reporting groups are not causal tiers; TWAS and spatial columns are non-upgrading annotations
